Dear Child Care Provider,

This letter is in regards to the 12/6/13 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)a Numbers for each child's parent, physician, and a responsible person are accessible by the phone. (need programmed in cell phone now that using cell as primary phone)

☐ 110.5(1)c First-Aid supplies are available and easily accessible in the home, outdoor play area, **any vehicle used to transport children**, and on field trips.

☐ 110.5(2) A provider file is maintained and contains:

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. (forms enclosed)

☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

☐ 110.5(8) Children's Files:

☐ 110.5(8)c A signed medical consent from the parent authorizing emergency treatment. (1 needs updating)

☐ 110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance. (1 needs)

☐ 110.5(8)e For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of admission physical. (1 needs)

☐ 110.5(8)f A list signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child. (1 needs)

☐ 110.5(8)i Written permission from the parent(s) for their child to attend activities away from the child development home. It must include times of arrival and departure, destination, and person(s) responsible for the child. (3 need)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed. Either CCR&R or I can do another check in the home to see if you have completed the items out of compliance. Please contact one of us once you are done.

Please do not hesitate to contact me at DHS at 319-267-2594 or 1-800-873-1340 or jsharp1@dhs.state.ia.us if you have any questions regarding this letter.
